**Town of New Scotland
Proposed Local Law F of the year 2016**

A Local Law regarding notice to residents of pending applications for permits and approvals issued by Planning Board, Zoning Board of Appeals, and Town Board.

Be it enacted by the Town Board of the Town of New Scotland as follows:

SECTION I. PURPOSE AND FINDINGS

The Town has received comments from residents that the minimum notice requirements set forth in New York State law and the Town of New Scotland Code for applications for permits and approvals for real estate development projects is inadequate to provide notice to many residents and landowners that may be effected or interested in commenting on a proposal. In an effort to provide a supplemental means of notifying residents of pending applications for approvals, this Local Law is intended to increase the distribution of notices of public hearings that are mailed to landowners, and post a sign on the property so that residents who do not live nearby have another means of being notified that an application is pending regarding the subject property. The Town finds that additional notice to residents and landowners of pending applications will protect the public health, safety and welfare of residents of the Town, and will promote the convenience and general welfare of the Town and its residents.

SECTION II. AMENDMENT TO CHAPTER 190 OF THE TOWN CODE

Chapter 190 of the Town of New Scotland Code is hereby amended by adding the following:

§ 190-110 Supplemental Notice Requirements For Applications For Certain Permits and Approvals from the Planning Board, Zoning Board of Appeals, and Town Board.

- A. Approvals Requiring Supplemental Notice. An applicant for any permit or approval from the Planning Board, Zoning Board of Appeals, or Town Board which requires a public hearing shall comply with the provisions of this Section 190-110 regarding supplemental notice. This notice provision applies to applications seeking permits or approvals for:
1. Subdivision of land (minor or major subdivision);

2. Special use permit;
3. Site plan approval;
4. Variance (use and area variances);
5. Cluster development;
6. Rezoning and/or amending of Zoning Law for project;
7. Planned Unit Development.

The foregoing permits and approvals shall be referred to as an "Approval" or "Approvals" under this section of the Zoning Law.

- B. Notice To Neighboring Property Owners. Notwithstanding the provisions of Chapter 164, entitled "Subdivision of Land," and Chapter 190, entitled "Zoning," an applicant for an Approval requiring a public hearing shall: (i) post a sign in accordance with subsection D, and (ii) provide prior written notice of a hearing to all property owners within 1,000 feet of the lot subject to the application for an Approval. The written notice shall be mailed (post-marked) by regular mail and certified mail, return receipt requested not less than ten (10) days prior to the date of the scheduled hearing, and not more than forty-five (45) days prior to the hearing. The applicant shall be responsible for the cost of postage and mailing the notice, and shall provide proof of mailing (in a form approved by the Building Inspector ("Inspector"), or his duly authorized assistant) on or before the hearing date.
- C. Deposit. At the time the application is filed, the Inspector shall approximate the cost of mailing ("mailing deposit"), and the applicant shall pay: (i) the cost of mailing notices; plus (ii) a \$100.00 deposit for the sign deposit (the "Sign Deposit"). The Sign Deposit shall be refunded when the sign is returned.
- D. Sign. Within twenty (20) days of filing an application for an Approval, the applicant shall post a sign on the lot that is the subject of the application, which sign is intended to provide the public with notice that an application for an Approval is pending. The sign shall satisfy the following criteria and standards:
- (i) The sign shall be installed (by the applicant) in a location that is visible to the public; and not less than fifteen (15) feet, and not more than thirty (30) feet, from the edge of pavement of the nearest road providing access to the property that is the subject of the application. In the event the subject parcel does not have frontage on a public road, or is located in a densely populated area, the Inspector shall determine, after consultation with the applicant and landowner, a safe and appropriate location for the sign.

- (ii) The sign shall be in a standard format, color, font and style to be determined by the Inspector, which shall be provided to all applicants at the time the application is accepted for filing.
 - (iii) The sign shall state, in words or substance, that: (a) an application for a zoning approval has been filed with the Town of New Scotland; (b) the telephone number of the Building Department; and (c) the Town website for further information regarding the application/project.
 - (iv) The sign shall remain installed on the property until after the public hearing.
 - (v) The Building Department shall purchase and maintain a sufficient number of sign frames and signs.
- E. Sign Deposit/Consent/Authorization. At the time the application is filed for the Approval, the applicant (and the property owner, if the applicant is not the owner of the property) shall sign a Consent and Authorization (in a form approved by the Inspector) consenting to the posting of a sign on the private property, and authorizing the Building Department to install and/or remove the sign.
- F. Return of Sign/Deposit. When the Approval has been granted, or the application for the Approval is denied or withdrawn, the applicant shall remove the sign and sign frame and return it to the Town Building Department in good order and condition. When the sign frame is returned in good order and condition, the Sign Deposit shall be returned to the applicant within thirty (30) days of the return. If a sign frame has been materially damaged, the applicant can repair or replace the frame at the applicant's sole cost and expenses, or forfeit the sign deposit. If the application does not proceed to a hearing, or the application is withdrawn prior to hearing, the applicant may apply for a refund of the mailing deposit, and the deposit shall be refunded within thirty days of the application for a refund. If no application for a refund is made within 30 days, the mailing deposit shall be deemed forfeited.
- G. Compliance Required Prior to Hearing. No public hearing regarding an application for an Approval shall proceed unless the Inspector determines that the applicant has complied with the notice and sign posting requirements of this section; the application shall be deemed incomplete until compliance has been achieved. The Inspector shall have the discretion to waive any minor defect in compliance.
- H. Exemptions. The notice provisions do not apply to the following:
- (i) A zoning amendment introduced by the Town Board, which does not apply to a specific project;

(ii) Applications for building permits not requiring an Approval.

J. Non-Compliance (No Private Enforcement). An applicant's failure to comply with the notice provisions set forth in Section 190-110 may be grounds for denial of an application or rescheduling of a hearing, but failure to comply with the notice provision of this Section shall not be grounds for an Article 78 proceeding or other challenge by a private citizen seeking to annul or vacate an Approval.

K. Appeals. If an applicant or landowner objects to the sign posting provisions of this section, the applicant/landowner may appeal to the Zoning Board of Appeals and request a waiver/variance from the provisions of this section, and the Zoning Board of Appeals is hereby granted authority to grant a waiver or variance in the event of hardship or special circumstances.

SECTION III. SEVERABILITY

Each separate provision of this local law shall be deemed independent of all other provisions herein, and if any provisions shall be deemed or declared invalid, all other provisions hereof shall remain valid and enforceable.

SECTION IV. REPEAL OF OTHER LAWS

All local laws in conflict with provisions of this Local Law are hereby superseded. This Local Law supersedes any inconsistent provisions in Chapter 164 and Chapter 190 of the Town of New Scotland Code, relating to subdivisions and zoning approval notifications.

SECTION V. EFFECTIVE DATE

This Local Law shall take effect immediately, as provided by law, upon filing with the Secretary of State.

1. (Final adoption by local legislative body only.)

I hereby certify that the local law annexed hereto, designated as local law No. ____ of 20____ of the Town of New Scotland was duly passed by the New Scotland Town Board on _____ 20__, in accordance with the applicable provisions of law.

A PUBLIC HEARING

WILL BE SCHEDULED

**ADDENDUM to JUNE 25, 2007
WATER PURCHASE AGREEMENT**

THIS ADDENDUM, is entered into this __ day of _____, 2016, by and between the Town of New Scotland, Albany County, New York (the “New Scotland”) and the Village of Voorheesville, Albany County, New York (“Voorheesville”).

WHEREAS, on June 25, 2007, New Scotland and Voorheesville entered into the annexed Water Purchase Agreement, which was intended to allow New Scotland to secure a connection to, and supply from, the Voorheesville water system; and

WHEREAS, pursuant to Paragraph five (5) of the Water Purchase Agreement, New Scotland agreed to pay Voorheesville “for the actual amount of water consumed at a rate equal to two times the rate charged to” Voorheesville’s in-Village, residential customers; and

WHEREAS, pursuant to the Water Purchase Agreement, New Scotland has installed a master water meter (“Master Meter”) at the location of the current interconnect between the two parties’ water systems—to determine the total volume of water transmitted from Voorheesville to New Scotland (“Total Usage), for which Total Usage New Scotland is obligated to pay Voorheesville; and

WHEREAS, New Scotland has also caused to be installed an individual water meter (“Individual Meter”) at each residence located within New Scotland that receives water that passes through the Master Meter—to determine the total volume of water consumed by each residence (“Individual Usage”); and

WHEREAS, the rates Voorheesville charges to its in-Village, residential customers vary depending on the gallons of water consumed by each residential customer; and the parties wish to clarify the manner in which Voorheesville’s rates shall be applied to New Scotland’s Total Usage; and

WHEREAS, Voorheesville also bills the minimum annual usage charge (“Minimum Charge”) due by each customer in advance (including at the time any new customer connects to the system).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties agree as follows:

1. At the time each new customer receiving water that passes through the Master Meter connects to the system, Voorheesville shall charge and New Scotland shall pay, the Minimum Charge due for that customer for the balance of Voorheesville’s then-current fiscal year (calculated as two-times the Minimum Charge that an in-Village, residential customer would be obligated to pay).
2. Each year thereafter, Voorheesville shall continue to charge and New Scotland shall continue to pay, the Minimum Charge due for each customer receiving water that passes through the Master Meter—in advance.
3. In addition, on an annual basis, Voorheesville shall give New Scotland five (5) days prior written notice of the date (“Reading Date”)—during the first two weeks in May—on which Voorheesville shall determine New Scotland’s Total Usage for the prior year.
4. On the Reading Date, New Scotland shall determine the Individual Usage for each Individual Meter during the same time period; and provide that information to Voorheesville. In the

alternative, New Scotland can permit—and provide necessary access for—Voorheesville to take the readings itself.

5. For all water that passes through an Individual Meter, Voorheesville shall charge, and New Scotland shall pay, two times the rate that would be charged to an in-Village, residential customer—consuming the same number of gallons of water as the Individual Usage and taking into account any Minimum Charge already paid.
6. For any water that passes through the Master Meter but does not pass through an Individual Meter (“Overage”), Voorheesville shall charge, and New Scotland shall pay, two times the rate that would be charged to an in-Village, residential customer—consuming the same number of gallons of water as the Overage and taking into account any Minimum Charge already paid.
7. In the event New Scotland fails to determine the usage for each Individual Meter as of the Reading Date, or to provide that information to Voorheesville, or to timely permit necessary access for Voorheesville to determine the Individual Usage on its own, Voorheesville shall be entitled to charge, and New Scotland shall be obligated to pay, two times the rate that would be charged to an in-Village, residential customer—consuming the same number of gallons of water as New Scotland’s Total Usage during the period in question.
8. Notwithstanding any other provision of this Addendum or the Agreement, June 25, 2007 to the contrary: (A) the New Scotland (and its residents who are receiving water that passes through the Master Meter) shall not be charged, on an annual basis, more than the sum determined by the product of: (i) the total of volume of water consumed as measured by the annual reading taken from the Master Meter, multiplied by (ii) 2x the published rate established for Voorheesville residents; (B) Voorheesville shall not charge New Scotland (and its residents who are receiving water that passes through the Master meter) a separate annual “Maintenance Fee;” and (C) New Scotland (and its residents who are receiving water that passes through the Master meter) shall be responsible for the Village’s Minimum Water Charge (which is currently \$300).
9. Except as clarified by this Addendum, all other provisions of the Water Purchase Agreement shall remain in full force and effect.
