Town of New Scotland
Local Law 3 of the year 2020

DEPARTMENT OF STATE

A Local Law Amending the Town of New Scotland "Lighting Law," Local Law No. 3 of 2012, entitled "a local law regulating artificial lighting."

Be it enacted by the Town Board of the Town of New Scotland as follows:

SECTION I. BACKGROUND, PURPOSE AND FINDINGS

In June 2012, the Town Board enacted Local Law No. 3 of 2012, which was designed to prevent unreasonably bright artificial lighting and to reduce the level of artificial lighting on surrounding properties within the Town so as to preserve, protect and promote the public health, safety and welfare within the Town and its inhabitants. Since then, the Town has continued to receive complaints that in certain cases the regulations are difficult to enforce, or residents have used exceptions in the law to circumvent the restrictions. The Town Board finds that excessive artificial light levels are offensive and detrimental to the enjoyment of property, and that excessive and unnecessary artificial light within the Town of New Scotland is a nuisance and menace to public health, safety, welfare and the comfort of the people of the Town, and negatively affects the value of their property.

SECTION II. AMENDMENTS

Section 190-33(C)(3) of the Town of New Scotland Code is hereby amended by adding the following paragraph in the place and stead of subsection (3):

(3) Temporary holiday lighting fixtures and lights, except when placed on a vacant, or unoccupied, dwelling (including any accessory buildings (garage, shed, etc.) associated with the dwelling) or residence that is not being used as a residence and/or is unoccupied at the time the holiday lights are turned on. For purposes of Section 190-33, a dwelling is "unoccupied" when no person is residing in, and sleeping at, the dwelling during any 72 hour consecutive period. If the dwelling is unoccupied, the holiday lights cannot be turned on. No temporary holiday lights can be used for a period in excess of eight (8) consecutive weeks.
